

Celebrity Cruises Health & Safety Protocols

Healthy at Sea Protocols

Testing & Screening

Safe vacations start with prevention. Every guest 18 years and older will require proof of full vaccination two weeks prior to sailing. Guests 2 and older will be required to take an antigen test at the terminal prior to boarding and again at debarkation, if required for country re-entry. Booked guests will be updated as requirements evolve.

Cleaning & Sanitization

Our enhanced cleaning and sanitization protocols set a new standard. Now, with guidance from our Healthy Sail Panel, we're going further than ever before.

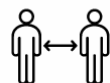

100% Fresh, Filtered Air

HVAC system continuously supplies and filters 100% fresh, filtered air to all spaces. You can breathe easy knowing the robust system's layers of protection make the transmission of aerosol particles between spaces extremely low to virtually impossible.

Vaccines

Guests 18 years and older must be fully vaccinated with all Covid-19 vaccine doses administered at least 14 days prior to sailing. Guests under 18 aren't required to be vaccinated but if they are, they will follow guidance for fully vaccinated guests. If a guest is determined to be vaccine exempt, guest will need to adhere to the strictest testing guidelines.

While On Board

We're still providing you the premium service and amenities you've come to expect from us, just with even more precautions than before like reduced capacity, physical distancing and enhanced cleaning measures.

While Ashore

Initially, guests will only be allowed off the ship on one of our curated shore excursions. Most experiences are outdoors and guests will be encouraged to stay with their group. Buses will be at reduced capacity and will be sanitized frequently. Small Group Discoveries will be available and for those who would prefer to tour with their family or group, Private Journeys will be available.

24/7 Medical Care

We've made our high-quality onboard medical care stronger than ever, with more doctors and nurses on each ship and state-of-the-art equipment enhancements. And in the event of a suspected case of COVID-19, we're fully prepared with medical evaluations, rapid testing, more critical care on each ship and a safe and prompt return home.

Cruise With Confidence

Book by May 31, 2021 and your cruise fare includes the following at no extra cost:

- Cancel up to 48 hours before you sail & Best Offer Guarantee
