

## Costa Rica February 15 – 24, 2024 Tuesday, February 20 | Monteverde

Today you will visit [Selvatura Park](#), a nature and adventure ecological park located in Monteverde, Puntarenas, Costa Rica, with an area of over 850 acres of protected land, it is one Monteverde's top attractions.

### It's Your Choice (cost included)

Included for each guest, choose either **Hanging Bridges** or **Canopy Zip Line**

#### Hanging Bridges, Treetop Walkway

Selvatura Park's treetop walkways provide an exciting yet safe way to enjoy the cloud forest canopy by walking through the forest heights on stunning, leading-edge suspension bridges. The Treetop Walkway is a peaceful 1.9-mile trail through the cloud forest combining forest trails interconnected with 8 bridges ranging from 170ft up to an amazing 560ft in length.

During your walk, explore the forest canopy wildlife, and nature, reach out and touch the sky and feel an incredible sense of freedom. The suspension bridges offer the best angle to observe the beauty of the cloud forest in all its levels and heighten possibilities to spot endemic and iconic species that call the forest home.

Made using the highest quality materials, built by inspired craftsmanship, the Selvatura treetop suspension bridges have been tested and certified by the College of Architects and Engineers under the strictest construction standards. Sensitive to the location, creating low to zero impact, and blending in seamlessly with the surrounding cloud forest, these treetop walkways give a whole new perspective.

#### Canopy Tour Zip Line

This unique zipline is built entirely within the cloud forest allowing visitors to soar through the forest canopy at exciting speeds. This state-of-the-art course of suspended high-weight-capacity cables zig-zag among the treetops with sweeping views of the forest and beyond providing thrill-seekers the ride of their lives.

With specialized climbing gear, your flight through the forest is truly a breathtaking experience. It also provides a unique vantage point of the cloud forest that was once reserved for birds and scientists. It is now available for all ages (some restrictions may apply, i.e., pregnancy and excessive weight). With 13 cables, including a 1 km cable, 15 platforms, and one Tarzan Swing, this means you will be soaring through the cloud forest canopy for a total of 2.2 miles of pure fun.

### Tour Option Must be Selected in Advance

Guests wishing to do both the Hanging Bridges and the Canopy Tour may purchase the second as an option on tour for \$99USD per person (price subject to change without notice). This can be arranged locally based on availability.
